Re: Perkins Mountain Water Co. Application for CC&N, Docket No. W-20380A-05-0490;  
Perkins Mountain Utility Co. Application for CC&N, Docket No. SW-20379A-05-0489

Dear Judge Bjelland:

On July 7, 2006, Commissioner Mayes requested that Utilities Division Staff docket all data requests and responses to those date requests in the above-referenced matters. Staff complied with this request on July 13, 2006. We wish to note for the record that data requests are propounded as part of discovery, and while the data requests and responses have now been docketed, there has been no determination regarding the admissibility of any of the information contained in those responses. Accordingly, Perkins Mountain Water Company and Perkins Mountain Utility Company respectfully reserve the right to object to the admission into evidence at the hearing of any data request and response on the basis of relevancy or any other appropriate basis for objection.

Very truly yours,
